RE: Docket No. 010122-TL - Petition for temporary waiver of physical collocation requirements in Maitland Central Office by Sprint-Florida, Incorporated.

By the attached letter dated March 15, 2001, Sprint-Florida, Incorporated withdraws its request for a waiver of physical collocation requirements in the Maitland Central Office until May 1, 2001. The waiver request date is now within the 90 day provisioning interval for physical collocation required by the Commission. Sprint is no longer denying applications for physical collocation at the Maitland Central Office. Sprint has sent a notification of availability of collocation at the Maitland Central Office to all ALECs previously placed on an informal waiting list for space.

Therefore, pursuant to Section 2.07.C.5, Administrative Procedures Manual, staff requests that Docket No. 010122 be closed administratively.

Thank you for your attention to this matter.
