Re: Magnolia Manor Water Works

Dear Ms. Clap:

Enclosed is the order that removes AquaSource as receiver and names Sumter County as receiver. Please make a notation in your records that AquaSource is no longer involved. Sumter County is in the process of setting up a rate structure that will allow this system to be self sufficient. Any questions you get concerning that rate structure should be submitted to the county through me. We will be notifying all of the customers as to this rate schedule.

Please let me know if you need an additional information.
