RE: DOCKET NO. 000482-TC - Initiation of show cause proceedings against Maria E. Delgado d/b/a Global Communication for apparent violation of Rule 25-4.043, F.A.C., Response to Commission Staff Inquiries.

ISSUE 1: Should the Commission accept the settlement offer proposed by Maria E. Delgado d/b/a Global Communication to resolve the apparent violation of Rule 25-4.043, Florida Administrative Code, Response to Commission Staff Inquiries?

RECOMMENDATION: No. The Commission should not accept the company's settlement proposal. Records indicate that the company did not respond to the Commission for more than two months, instead of within 15 days as required by Rule 25-4.043, Florida Administrative Code, Response to Commission Staff Inquiries, and staff believes that the company's proposal of \$100 to settle this proceeding is insufficient.

ISSUE 2: Should this docket be closed?

RECOMMENDATION: No. With the approval of Issue 1, this docket should remain open pending the resolution of the show cause proceedings. Global must respond to the original show cause order (PSC-00-1180-SC-TC, dated June 30, 2000) within 21 days of the issuance of this Order denying the settlement. If Global fails to respond to Order No. PSC-00-1180-SC-TC and the fine is not received within ten business days after the expiration of the show cause response period, then Certificate No. 3874 should be canceled and this docket should be closed administratively.
