Sure, I'll fix title, but I don't know about the CASR changes. I'm referring this portion of your e-mail to Sandy.

Subject: Docket No. 010266-TX; Advantage Group of Florida Communications, LLC

There has been much discussion on this docket as to what the docket title should say and what transactions are being carried out by the company. After a lengthy conversation with Nash Neyland, Counsel for the Company, the company is going through a corporate reorganization and merger, whereby the the surviving company will be Advantage Group of Florida Communications, L.L.C. Since the owner of the surviving company will remain the same as the owner of the present company there is no transfer of the certificate to a different entity. Therefore, lets use a similar docket title that we have used to describe another reorganization (Docket No. 010203-TP). That way no application or financial information or fees are needed and we can place this on the next agenda.

Linda, Let the docket title be listed as follows:

Request for approval of an inhouse corporate reorganization whereby ALEC Certificate No. 5736 will be transferred and name changed from Daytona Telephone Company to Advantage Group of Florida Communications, L.L.C., both subsidiaries of Advantage Group Communications, L.L.C.

Further, could you past this on to have the CASR dates revised for the following:

Staff Recomm: 04/19/01
Agenda: 05/01/01
PAA: 05/21/01

Thanks
