RE: Docket No. 010027-TP - Petition by IDS Telcom, LLC for arbitration of terms of interconnection agreement with BellSouth Telecommunications, Inc.

VIA FACSIMILE

Please note that an issue identification meeting has been scheduled between Commission staff, IDS Telcom, LLC, and BellSouth Telecommunications, Inc. at the following time and place:

Wednesday, April 25, 2001, 9:30 a.m. to 12:30 p.m.
Gerald L. Gunter Building, Conference Room 362
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

The purpose of this meeting will be to identify and discuss the issues involved in this docket. The issues identified at this meeting will be attached to the Order Establishing Procedure as the tentative issues list. Prefiled testimony and prehearing statements shall address the issues set forth in the tentative issues list. Please provide a copy of your proposed tentative issues list to staff three days prior to the issue identification conference.

Parties are reminded that it is the responsibility of the parties themselves to present evidence sufficient to support their case. It is not the responsibility of Commission staff to build the record for the parties. As such, the parties should be advised that, to the extent that they do not present evidence sufficient to provide a basis for a Commission decision on an issue, Commission staff may recommend that the Commission dismiss that issue because the record is inadequate or insufficient.

If you have any questions about the meeting, please call Patricia A. Christensen, Senior Attorney, at (850) 413-6220.
