RE: DOCKET NO. 010309-TL - Petition for expedited review of North American Plan Administration's (NANPA) denial of application for use of central office code numbering resources or NXX codes in Orlando Magnolia switch by BellSouth Telecommunications, Inc.

ISSUE 1: Should the Commission overturn NANPA's decision to deny a growth code for the ORLDFLMADS1 switch?

RECOMMENDATION: Yes. The Commission should overturn NANPA's decision to deny a growth code, and direct NANPA to provide BellSouth with a growth code for the ORLDFLMADS1 switch as soon as possible. Staff also recommends that once the specific customer needs are met, BellSouth should keep as many of the remaining blocks as possible in the new NXX uncontaminated for future number pooling. This is the first time this matter has been raised before the Commission.
