# NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

Pursuant to Section 364.183 of the Florida Statutes and Rule 25-22.006 of the Rules of the Florida Administrative Code, Nextel Communications, Inc. ("Nextel"), on behalf of Nextel South Corp., its wholly-owned subsidiary operating in the State of Florida, respectfully submits this Notice of Intent to Request Confidential Classification ("Notice"). This Notice is being filed in connection with Nextel's submission of information in response to a February 23, 2001 facsimile request of the Florida Public Service Commission ("PSC") in the above-referenced proceeding.

In the February 23, 2001 facsimile, the PSC sought specific information regarding Nextel's NXX code assignments in the 954, 904 and 561 NPAs in the State of Florida. The current and projected use of telephone numbers by a Commercial Mobile Radio Services provider is "proprietary confidential business information" as defined in Section 264.183(3) of the Florida Statutes. Such information is intended by Nextel to be private information as it is sensitive, proprietary and confidential in nature. Public disclosure of the submitted information would be of commercial or competitive value to others to Nextel's detriment by providing them specific knowledge of Nextel's current subscriber base and its projected growth in the State of Florida.

Therefore, in accordance with Rule 25-22.066, Nextel is submitting one copy of the requested proprietary information, which Nextel's Notice is intended to cover, to the Division of Records and Reporting in a separate, sealed envelope. Nextel also provided written responses to those data requests that do not seek confidential information. Those responses are provided in a letter dated May 5, 2001 to Blanco S. Bayo, Director of Division of Records and Reporting for the PSC. Pursuant to Section 25-22.006, Nextel is seeking confidential treatment of the information it provided simultaneously in a separate sealed envelope.

By submitting the requested information to the PSC with this Notice, Nextel shall not be deemed to have waived the confidentiality of the information.

Respectfully submitted,
