RE: Docket #010424-TC

Dear Ms. Bayo:

This letter is written on behalf of Telaleasing Enterprises, Inc., a client of TCS, Inc. We acknowledge and have received the letter recommending the cancellation of Telaleasing Enterprises, Inc.'s authority to conduct business in the state of Florida.

We have completed the missing report that was needed. Telaleasing Enterprises, Inc. recognizes that the previous steps taken to prevent the late payment of the RAF have not been successful. They have now implemented a process within their database system that will notify them a month in advance when the reports are due.

We would like to make an offer to the Public Service Commission of \$2,000.00 in an effort to get this matter settled. Also, we waive objection to the administrative cancellation of the company's certificate in the event the settlement offer is accepted and the company fails to comply with the terms that have been offered.

If there are any questions, please feel free to call or write.

Respectfully submitted,
