FPSC-RECORDS/REPORTING

30.3. The Implementation Plan may be amended from time to time by the Implementation Team, as the team deems appropriate.

31. FEDERAL JURISDICTIONAL AREAS

31.1. TWTC understands and agrees that this agreement serves as actual notice that Sprint and its Affiliates have entered into a binding contract to provide exclusive telecommunications services for the Army and Air Force Exchange Service (“AAFES”) during the term of this agreement. The AAFES contract specifies, among other things, that Sprint shall provide all telecommunications services to officer and enlisted temporary living facilities (commonly named Bachelor Officer Quarters and Bachelor Enlisted Quarters) on United States Army bases. Sprint will be entitled to refuse to resell telecommunications services where such sale would be contrary to the AAFES agreement. Upon request, Sprint will identify relevant facilities covered by AFFES contract. TWTC is entitled to communicate to any potential TWTC customer that TWTC is unable to provide the customer telecommunications services because of the AAFES agreement.

IN WITNESS WHEREOF, each of the Parties has caused this Agreement to be executed by its duly authorized representatives.
