On May 15, 2001, I received a letter from Mr. Capasso requesting cancellation of his certificate. I checked Case Management and it does not appear that the Division of Records and Reporting was provided a copy. Please document this correspondence to Docket No. 010496-TC. Let me know if you have any questions.

Re: Docket #010496-TC

Dear Ms. Isler,

May 10, 2001

I am writing to you in reference to your letter dated April 18,2001. The letter stated that I was delinquent with the 2000 Regulatory Assessment Fees. In my defense, I would like to make you aware of the fact that I had suffered a heart attack back in July and I had not been aware of these fees. I had assumed that my wife had canceled my telecommunications certificate because I would not be able to have any pay phones in the near future. Unfortunately my wife is trying to run our auto repair business, take care of our kids and all the others things that happen to come along and she obviously didn't cancel my certificate. I am asking for leniency because of the situation that I just described. I am also stating in writing that I would like to cancel my certificate. Please feel free to contact me if you require any additional information.

Sincerely,

Gary M. Capasso
