RE: Vendall Communications  
Pay Telephone Service Provider Regulatory Assessment Fee Return  
TG519

We have recently been hired as the new accountants for the above named company. In that regard we have been advised by Mr Guertler, the owner, that the assessment fee return for 2000 has not previously been filed. Attached you will find the 2000 return including penalties and interest for late filing.

Mr Guertler has also advised us that the 1999 return was not timely filed due to other circumstances. We realize that this makes two years in a row that the return has not been timely filed however we kindly ask that any further punitive action not be taken as steps have been taken to ensure that the return will be timely filed in the future.

Yours truly,

  
Alex Alijewicz
