FPSC RECORDS REPORTING

Section 364.33, Florida Statutes, provides that a person may not acquire ownership or control of any telecommunications facility, or any extension thereof for the purpose of providing telecommunications services to the public, including the acquisition, transfer, or assignment of majority organizational control or controlling stock ownership, without prior approval from this Commission.

By letter dated April 3, 2001, MediaOne Florida Telecommunications, Inc. d/b/a AT&T Broadband Florida Telecommunications and d/b/a AT&T Digital Phone (MediaOne Florida) and AT&T Broadband Phone of Florida, LLC d/b/a AT&T Digital Phone (AT&T Broadband Phone of Florida) filed with this Commission an application for approval of a corporate reorganization whereby MediaOne Florida, a wholly owned subsidiary of AT&T Corp. will merge with AT&T Broadband Phone of Florida, a newly created limited liability company and also a wholly owned subsidiary of AT&T Corp. The companies further requested the transfer of and name change on MediaOne Florida's Alternative Local Exchange Telecommunications (ALEC) Certificate No. 4404 from MediaOne Florida to AT&T Broadband Phone of Florida. MediaOne Florida and AT&T Broadband Phone of Florida have stated that the transaction will not affect the services being provided.

In accordance with our authority under Section 364.33, Florida Statutes, to approve the acquisition or transfer of majority organizational control or controlling stock ownership of a telecommunications company providing service in Florida, we have reviewed the Petition of MediaOne Florida and AT&T Broadband Phone of Florida, and find it appropriate to approve it. We have based our review and decision upon an analysis of the public's interest in efficient, reliable telecommunications service.

MediaOne Florida and AT&T Broadband Phone of Florida have complied with Rule 25-24.815, Florida Administrative Code, regarding the transfer of ALEC certificates. We find the transfer to be in the public interest and, therefore, approve the transfer. ALEC Certificate No. 4404 shall be amended to reflect that AT&T Broadband Phone of Florida is the holder of this certificate.

If this Order becomes final and effective, it shall serve as AT&T Broadband Phone of Florida's certificate. AT&T Broadband Phone of Florida should, therefore, retain this Order as proof of certification and as evidence of the name change.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed to both MediaOne Florida and AT&T Broadband Phone of Florida. Neither the cancellation of the certificate nor the failure to receive a RAFs Return notice shall relieve MediaOne Florida and AT&T Broadband Phone of Florida from their obligation to pay RAFs.

Based on the foregoing, it is,
