Re: Docket No. 000793-WS: Application for transfer of facilities from Bartelt Enterprises, Inc, holder of Certificates Nos. 484-W & 421-S in Pasco County to Utilities, Inc. of Florida, holder of Certificate Nos. 107-W & 229-S and cancellation of Certificate Nos. 484-W and 421-S.

Dear Mr. Wenz:

This letter is a follow-up to an earlier telephone conversation between you and Ms. Stephanie Clapp, a member of my staff and my letter to you of March 2, 2001. The subject of both was the need for competent substantial evidence as to the amount of the Bartelt Sunshine (Sunshine) system CIAC.

According to previous orders and Public Service Commission (PSC) audit of the Sunshine, Sunshine was a developer-owned utility serving 1,055 customers at the time the PSC received jurisdiction in Pasco County on July 11, 1972. According to Order No. 6394, issued December 12, 1974, in Docket No. 74058-W, Sunshine had a connection fee of \$65. When the connection fees were collected they should have been recorded as contributions-in-aid-of-construction (CIAC). We need the utility to provide information on when the fees were collected and the handling of the fees in the books and records of the utility.

The original and four copies of the response to the information requested in this letter should be filed with the Commission on or before **June 13, 2001**. When filing the response, please be sure to reference the docket and to direct the response to :
