RE: 2001 Regulatory Assessment Fee; Cancellation of Pay Telephone Certification No. 7068;
 Docket No. 010402-TC

Dear Ms. Valdez:

	DEPOSIT	DATE
<i>T6566</i>	D077	JUN 07 2001

In order to process the cancellation Certificate No. 7068 in good standing, the Commission requires a letter requesting cancellation of the certificate as well as an acknowledgment statement that you understand you owe the minimum Regulatory Assessment Fee (\$50) for the year 2001 and will pay it when billed by the Commission.

Should you choose to pay the 2001 Regulatory Assessment Fee (\$50) in advance, in your cover letter, state that you have requested cancellation of Pay Telephone Certificate No. 7068 and mention the above docket number, so I will be copied on the correspondence. Once the 2001 minimum required fee has been paid or I have received a statement that you understand you will be billed and will pay the 2001 fees, I can process Certificate No. 7068 for cancellation effective upon receipt of the correspondence by the Commission. The check should be made payable to the Florida Public Service Commission and mailed with the form to:

Florida Public Service Commission
 Attention: Fiscal Services
 2540 Shumard Oak Blvd.
 Tallahassee, FL 32399-0850

I recommend that you make a copy of the correspondence for your files. If you have any questions, please feel free call me at 850/413-6532 or email me at TMCCOY@PSC.STATE.FL.US.

Sincerely,

 Toni J. McCoy
