RE:

Docket No. 010447-TC
J.C. Vending, Inc. (TF221)

Dear Mr. Marino:

I was getting ready to write the recommendation to accept your \$100 settlement offer to resolve this docket, but noticed that the past due amount has not been paid in full.

I had included a breakdown of the \$6.55 penalty and interest balance from 1995 and 1996 (copy attached) with my April 24 letter to you. That amount still remains unpaid. In addition, for the 2000 RAF, you paid the \$50.00 minimum RAF and \$7.16 of the \$10.00 penalty, and none of the interest, leaving a balance of \$4.84.

Therefore, before staff recommends acceptance of any recommendation, a company must not have any past due balance. Please send a check to the Commission for the \$11.39. Also, include a copy of this fax with your check or include a separate letter explaining where the money is to be credited. Call if you have any questions. Thanks, Paula.
