Dear Ms. Bayo:

I am in receipt of your letter dated 5/21/01 regarding the Regulatory Assessment fee return. I have attached the return for 2000. Is there a return due for 1999?

I am also wanting to keep the certificate active as I need more time to try and sell off the rest of the equipment. Train-Tel as far as you and I can see is a failing payphone company.

Docket #010685-TC

There is no amount due so no penalty and interest are due.

The steps we have taken for your record to prevent future assessment fees and such is to sell off the equipment and get out of the payphone business. I ask that you do not cancel the certificate as it is easier to sell installed working payphones than not.

I can not afford your fine for this as I have already went in rears by over \$18,000.00. I ask you reconsider these circumstances. Please waive this fine and allow this certificate to be active.

Thank you for your consideration.

By the way, we are pulling out equipment as well as trying to sell. We sent in another order to Verizon today to terminate 8 more lines.

Sincerely,

Sean Trainor
