Dear Ms Bayo

On May 29th 2001 my company send
a settlement proposal to your office. I would like to
modify my May 29th settlement to include a proposal
to pay \$150.00 settlement. All other element
of my May 29th letter are reaffirmed.

Once again I am sorry for this mistake and will
try not to make ~~any~~ more mistake. If there
is any thing more I need to do to correct this
mistake please let me know.
