of the Federal Telecommunications)
Act of 1996)

**BELLSOUTH TELECOMMUNICATIONS, INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

BellSouth Telecommunications, Inc. ("BellSouth"), hereby files pursuant to Rule 25-22.006, Florida Administrative Division Code, its Request for Confidential Classification, and states the following.

1. On May 31, 2001, BellSouth filed Testimony of D. Daonne Caldwell, and Cynthia K. Cox, along with a Notice of Intent to Request Confidential Classification for information contained in Exhibit Nos. DDC-1 and CKC-4 of their testimony. The information contained in the exhibits include vendor-specific pricing information, confidential business information and customer proprietary information that is considered proprietary to BellSouth.
2. BellSouth hereby files this Request for Specified Confidential Classification because the information contained in the exhibits include vendor-specific pricing information, confidential business information and customer proprietary information that could cause competitive harm to BellSouth and is

clearly confidential and proprietary under Florida Statutes, Sections 364.183 and 364.24.

3. Attachment A to BellSouth's Request for Confidential Classification contains an explanation of the proprietary information along with a list that identifies the location of the information designated by BellSouth as confidential.

4. Attachment B to BellSouth's Request for Confidential Classification contains two copies of the documents with the confidential information redacted.

5. Attachment C to BellSouth's Request for Confidential Classification is a sealed envelope containing one copy of the documents including those portions that are confidential and proprietary.

6. The information contained in Exhibit Nos. DDC-1 and CKC-4 include vendor-specific pricing information, confidential business information and customer proprietary information. A more specific description of this information is contained in Attachment A. Public disclosure of this information would provide competitors with an unfair advantage in future negotiations. This same information on competitors is not available to BellSouth. The information discussed in this Request for Confidential Classification is valuable and BellSouth strives to keep it secret. Therefore, such information should be classified as confidential business information and customer proprietary information pursuant to Section 364.24 and Section 364.183(3)(e), Florida Statutes. Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

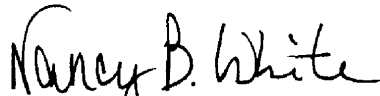

7. BellSouth has treated and intends to continue to treat the information for which confidential classification is sought as private, and this information has not been generally disclosed.

8. The original of this Request was filed today with the Division of Records and Reporting, and a copy was served on the Parties.

WHEREFORE, based on the foregoing, BellSouth respectfully requests that the Commission enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 21st day of June 2001.
