MEMORANDUM

Date: 6/28/01
To: Paula J. Isler
From: Richard F. Militello
RE: **Docket No 010735-TI**

Enclosed you will find the Company's Regulatory Assessment Fee Return along a check for \$134.81 which includes penalty and interest.

In your letter, you stated that the Company is also liable for an additional \$1,000 fine. I have checked with my staff and it appears that the original return was never received. The Company moved to its new office in September 2000 and it is possible the return was not forwarded. As you can see from the amount owed the payment was not made due to the amount owed.

If anything can be done to reduce the amount of the fine, it would be greatly appreciated.

Please let me know as soon as convenient so payment of the fine can be made.

Thank you,

Richard F. Militello

Re: Docket No. 010735-TI

Dear Mr. Militello:

This is a follow up to our telephone conversation concerning the above docket. As background information, this docket was established for nonpayment of the 2000 Regulatory Assessment Fee (RAF), which was due by January 30, 2001. In addition, Commission records show that a delinquent notice was mailed February 21, 2001.

Commission records show that as of this date, the 2000 RAF has not been paid. The 2000 RAF return is attached. Please complete and return it, along with payment for the past due amount in full. The RAF is .0015% of the company's total Florida gross revenues, or \$50.00, whichever is greater. Since payment is past due, statutory penalty and interest charges are applicable. In addition to the 2000 RAF, plus penalty and interest charges, the company also has a \$3.28 balance from the 1999 RAF. A breakdown of the 1999 past due amount is attached.

There is normally a \$1,000 fine imposed when it is the second time a docket has been established for the same rule violation. The previous docket was No. 991824-TI, which was established for nonpayment of the 1998 RAF. On January 27, 2000, the Commission received a letter from iTELSA, which proposed to pay future RAFs on a timely basis and offered to pay a \$100 settlement. The docket was then closed after the company complied with the Order.

iTELSA has four options. Information on all four options is attached. Two options deal with cancelling the certificate and two deal with keeping the certificate active. You stated in our telephone conversation that you wished to keep the certificate active, therefore, you would probably choose the last option (propose a settlement).
