Ref.: Docket No. 010412-TC

Dear Ms. Bayo:

Please find the enclosed registration form and payment of all Regulatory Assessment Fees and late penalties due from Protel Inc. I must apologize for the tardiness in filing. The annual registration form never made it from our mailroom to my desk for signature and payment. We are currently evaluating mailroom procedures and making changes to eliminate these types of problems that have been occurring too frequently.

Protel Inc. wishes to keep its certificate in full force and request that you waive any penalty which may be imposed as a result of this inadvertent administrative error.

Please let me know what, if anything, else Protel Inc. must do to remain in compliance with Public Service Commission regulations.

Most Sincerely,

Herb Nold
