RE: Docket No. 990996-WS, Resolution by Citrus County Commission to rescind Citrus County Resolution No. 73-79 and remove jurisdiction of Florida Public Service Commission over private water and wastewater Utilities in Citrus County.

Order No. PSC-99-1899-FOF-WS, issued September 24, 1999, in Docket No. 990996-WS, required that Certificate No. 513-W, held by Wellaqua Company, be canceled upon the conclusion of Docket No. 990872-WU. Staff administratively closed Docket No. 990872-WU by memorandum dated May 15, 2000. This memorandum serves as staff's request to cancel Certificate No. 513-W pursuant to the authorization in Order No. PSC-99-1899-FOF-WS.

I checked CMS and Wellaqua's dkt was closed 5-19-00. Will use that date for the "inactive" date for their certificate. Thanks, N

Since the reason the Commission couldn't cancel the certificates earlier was that there were still matters pending under Commission's jurisdiction, I'd use the date the final Wellaqua docket (Dkt. No. 990872-WU) was administratively closed. I believe that date was May 19, 2000.

P.S. Sorry about the year late notice. When I inherited the docket, the Wellaqua docket was closed so I assumed that the matter of the certificate had been taken care of, as well. Guess you know what "assume" really means. :)

Good morning! Received copy of your memo dated 7-9-01 regarding Certificate No. 513-W held by Wellaqua Company is now ready to be canceled. You did not mention a date for the cancellation in your memo. Am I to use the date of July 27, 1999 that the Citrus County Board of County Commissioners adopted Resolution No. 99-111 rescinding Commission jurisdiction in Citrus County or the date of your memo? Please advise. Once I hear from you will update MCD. Thanks, Nonnye
