Per our telephone discussion, I am requesting that you fax a copy of the FAW notice of hearing for the above-referenced docket with the word "cancel" written across it to the FAW publications department at (850)488-7869. The utility is filing for a continuance of the hearing today and new dates have been cleared through the Chairman and prehearing officer's offices. I apologize for any difficulty this may present - please let me know if I can be of any assistance; thanks.
