RE: Docket No. 010970-TP - Bankruptcy Cancellation by Florida Public Service Commission of ALEC Certificate 7344 and IXC Certificate No. 7508 issued to BroadBand Office Communications, Inc., Effective 5/9/01.

On August 1, 2001, I received a letter dated July 31, 2001, from Coudert Brothers, Attorneys at Law, requesting cancellation of BroadBand's IXC certificate (the Commission had originally received a request to only cancel BroadBand's ALEC certificate). In addition, the letter requests that the 2001 RAFs be waived since the company does not have the financial resources to pay them. I checked CMS and it does not appear to have been received in the Division of the Commission Clerk & Administrative Services. Please document this correspondence to Docket No. 010970-TP. Let me know if you have any questions.

Re: BroadBand Office Communications, Inc.; Supplement to Notification of Cancellation of Certificate and Tariff

Dear Ms. Isler:

BroadBand Office Communications, Inc. ("BBOC"), by its undersigned counsel, hereby supplements its Notification of Cancellation of Certificate and Tariff, dated July 13, 2001. BBOC respectfully requests that the Florida Public Service Commission ("Commission") cancel its certificate to provide long distance services (Cert. No. 7508).

Since the parent company of BBOC, BroadBand Office Inc. ("BBO") filed for bankruptcy protection in May 2001, BBOC does not have the financial resources to pay any regulatory fees for the year 2001. As such, BBOC respectfully requests that the Commission waive any such fees.

Please file stamp and return the extra copy of this filing in the pre-addressed stamped envelope provided for this purpose.
