

2001 ALEC Data Request

Responses of

LIGHTYEAR COMMUNICATIONS, INC.

Florida Statute 364.02(2) defines basic local service as:

"Basic local telecommunications service" means voice-grade, flat-rate residential and flat-rate single line business local exchange services which provide dial tone, local usage necessary to place unlimited calls within a local exchange area, dual tone multi-frequency dialing, and access to the following: emergency services such as "911," all locally available interexchange companies, directory assistance, operator services, relay services, and an alphabetical directory listing. For a local exchange company, such terms shall include any extended area service routes, and extended calling service in existence or ordered by the commission on or before July, 1 1995.

1. a. Are you providing service to residential customers in Florida that complies with the above definition of basic local service?

NO

b. To how many residential customers are you providing basic local service in Florida?

none

c. What are your current rates for providing residential basic local service?

Not applicable.

d. Are you providing service to business customers in Florida that complies with the above definition of basic local service?

YES

e. To how many business customers are you providing basic local service in Florida?

f. What are your current rates for providing business **basic local service** in Florida?

3. Please describe the method(s) you are using to provide telephone services (e.g., resale, interconnection, unbundled network elements, facility-based, etc.).

Unbundled Network Elements UNEP

- a. Please indicate, by exchange, the number of LEC access lines you are reselling to residential customers.

We are not reselling residential.

- b. Please indicate, by exchange, the number of LEC access lines you are reselling to business customers.

We are not reselling.

- c. Please indicate, by exchange, the types of unbundled network elements, if any, you are obtaining from the incumbent LEC.

d. Please indicate, by exchange, the number of unbundled local loops, if any, you are obtaining from the incumbent LEC.

e. Please indicate the types of facilities deployed by your company in Florida to provide local telephone services, and indicate where these facilities are deployed.

N/A

f. If known, please indicate the number of access lines, separately for residential and business customers, provisioned solely over company-owned facilities.

N/A

g. Please indicate, by exchange, the number of business access lines you serve that are provided to Internet service providers.

N/A

h. Please indicate, by exchange, the number of business access lines you serve that are provided to voicemail service providers.

N/A

4. Please indicate the number and location of switches you have located in Florida, if any, used to provide services to customers in Florida.

Lightyear currently has two switches in Florida (one in Miami, and one in Jacksonville). Data, internet access, and voice services are provided via both switches.

5. For each exchange where you are providing any form of residential local telephone service, please identify by exchange (a list of exchanges is attached), the number of residential access lines served as of June 30, 2001. (See example below)

N/A

6. For each exchange where you are providing any form of business local telephone services, please identify by exchange, the number of business access lines served as of June 30, 2001. (See example below)

[REDACTED]

[REDACTED]

[REDACTED]

7. For billing and accounting purposes, do you differentiate between residential and business customers? Yes

a. Are you currently offering any enhanced services? If yes, what are they?

NO

b. Have you experienced any significant barriers in entering Florida's local exchange markets? Please list and describe any obstacles or barriers encountered.

[REDACTED]

c. Have you experienced any difficulties involving any agreements you may have with incumbent LECs? If so, please describe any significant problems encountered.

NO

d. Do you anticipate that your long-term manner of providing service will differ from your current practice? If so, do you expect becoming a full scale facilities-based provider?

NO

e. Have you been assigned your own NXX codes? If yes, how many codes have you been assigned and for each code, as of January 31, 2001, how many numbers have been assigned from the code?

NO

8. Please list your primary line of business (for example, entertainment, cable television, private line/special access service, interexchange service, local service, cellular service, paging service, electric service, municipality, etc.).

Local, Long Distance and data services

9. At any time during the last 12 months have you provided local telephone services in Florida and then withdrawn a service? If yes, please discuss the reasons for this decision.

NO

10. If you or an affiliate provides cable television in Florida, do you offer any package plans combining cable television and local telephone services? If so, please indicate where such packages are being offered.

Neither Lightyear nor any of its affiliates provides cable television in Florida.

11. If you or an affiliate provides long distance telephone service in Florida, do you offer any package plans combining long distance and local telephone services?

YES

If so, please describe any such plans and their terms and conditions.

Lightyear offers several plans that include a bundled package of Local and long distance services. Month to Month & one year terms are available.

Is subscribing to both local telephone and long distance a condition of providing service?

NO

12. Please provide any additional comments or information you believe will assist staff in evaluating and reporting on the development of local exchange competition in Florida. In particular, we are seeking comment on obstacles that you believe may be impeding the growth of local competition in the state and any suggestions you may have on how to remove such obstacles.

13. If your company filed a Form 477 with the Federal Communications Commission in March 2001, please enclose a copy of the completed Form 477 with your response to this data request.

See attached.

14. Does your company offer xDSL exclusively?

NO

15. If the answer to question 14 is "yes," how many xDSL lines in aggregate does your company provide?

n/a

16. If the answer to question 14 is "yes," in what exchanges in Florida are your services available?

n/a

17. If the answer to question 14 is "yes," how are your company's various service offerings priced.

n/a

All filers must complete this section. File data as of: December 31, 2000

- 1. Filing Status Meet local competition threshold only
- 2. Company Lightyear Telecommunications LLC

3. Indicate the category that best describes the operations covered by this filing.
Reseller

4. Filers must report separate data for ILEC and non-ILEC operations. Use the following drop-down box to indicate whether this worksheet contains data for ILEC or for non-ILEC operations.
non-ILEC operations

5. Use the following drop-down box to select your company, parent or controlling entity name. Select "not shown" if it is not in the list. See instructions Section IV-B-1 for information on preparing file names.
Not shown below

If you selected "not shown" above, then provide the following:

Name of company, parent or controlling entity.
Lightyear Holdings, Inc.

6. State. Massachusetts

7. Contact person (person who prepared the data contained below).
Greg Williams

8. Contact person telephone number and e-mail address.
phone _____
e-mail gregw@lightyearcom.com

9. Indicate whether this is an original or revised filing.
Original Filing

10. Indicate whether you request non-disclosure of some or all of the information in this file because you believe that this information is privileged and confidential and public disclosure of such information would likely cause substantial harm to the competitive position of the filer.
All data in this report may be made public

11. If you requested non-disclosure in line 10, indicate if this is your complete or redacted file.
Click and select from drop-down list

Please review instructions before completing form.

Reminders:

- 1) Virus check your floppy diskettes or compact disk before you mail them.
- 2) Use the correct version of the form. If you are not filing data for December 31, 2000, then obtain the correct version from www.fcc.gov/broadband/data/forms.
- 3) You may not insert or delete columns or rows, move cells, or edit text or numbers outside the cells provided for data entries. Files that cannot be opened in EXCEL97, files whose structure has been altered, and files with improper names will be returned for refiling.
- 4) If you have questions about the form, contact the Common Carrier Bureau, Industry Analysis Division at (202) 418-0940; via e-mail at 477INFO@fcc.gov; or via TTY at (202) 418-0484.
- 5) You must include a Certification statement signed by an officer of your company. A single statement will cover all files included on the diskette.
- 6) If you request non-disclosure of some data, you must file a public version of the form with such information redacted. See Sections IV-B and IV-C of the instructions for information on preparing a redacted file.
- 7) Name your files as specified in section IV.B.1 of the instructions. To assist you, complete this Cover Page to generate an "example" name, below. Replace the character "#" in this example name with a sequence number as specified in the instructions. This number should be "1" unless using "1" would cause you to submit more than one file with the identical file name.

Lightyear Telecommunications LLC non-ILEC operations for Massachusetts December 31, 2000

Complete Part I if you and all affiliates (including commonly controlled entities) provide 250 or more broadband lines or wireless channels in the state over your own facilities or over lines you provisioned as broadband. See instructions for definitions of "own facilities", "broadband", "end user", and "residential and small business".

If you provide data in Part I, you must provide in Part V a list containing the 5-digit zip codes of the end-user locations in which you provide the broadband services reported herein. See instructions.

Data as of December 31, 2000

A. Lines and wireless channels of broadband service that you provided over your own facilities, or over UNE loops or other lines and wireless channels that you obtained from other service providers and equipped as broadband, categorized by technology at the end-user location.

(a) Total one-way and two-way (full) broadband lines and wireless channels	Percentages of lines and wireless channels reported in (a)				
	(b) % of (a) used by residential & small business customers	(c) % of (a) provided over your own facilities	(d) % of (a) provided (i.e. billed directly) to end users	(e) % of (a) providing customers greater than 200 kbps in both directions	(f) % of (a) providing customers greater than 2 mbps in both directions
I - 1. Asymmetric xDSL.					
I - 2. Other traditional wireline including symmetric xDSL.				100%	
I - 3. Coaxial carrier systems including hybrid fiber-coaxial systems.					
I - 4. Optical carrier (fiber to the end user).					
I - 5. Satellite.					
I - 6. Terrestrial wireless fixed.					
I - 7. Terrestrial wireless mobile.					
I - 8. All other technologies, such as distribution over electric power lines.					

Lightyear Telecommunications LLC non-ILEC operations for Massachusetts December 31, 2000

Complete Part II if you and all affiliates (including commonly controlled entities) provide 10,000 or more voice-grade equivalent lines or wireless voice-grade equivalent channels used for local exchange or exchange access service in the state. See instructions for definitions of "voice telephone service", "voice-grade equivalent lines", "residential and small business", "owned facilities", "COLO switching centers", and "end users".

If you provide data in Part II, you must provide in Part V a list containing the 5-digit zip codes of the end-user locations in which you provide the wireline or fixed wireless voice grade services reported herein. See instructions.

	(a) Total voice-grade equivalent lines and voice-grade equivalent wireless channels in service	Percentages of lines and wireless channels reported in (a)			
		(b) % of (a) used for residential & small business service	(c) % of (a) provided over your own facilities	(d) % of (a) provided over UNE loops	(e) % of (a) in ILEC COLO switching centers
Data as of December 31, 2000					
A. Voice telephone service provided to end users.					
II - 1. Total lines and channels you provided to end users.	24,668	0%	0%	0%	0%
B. Voice telephone service provided to other communications carriers, categorized by:					
II - 2. Lines and channels that you provided under a Total Service Resale arrangement. See instructions.					
II - 3. Lines and channels you provided under other resale arrangements, such as resold centrex.					
C. UNE loops, special access lines, and those private lines that connect to carriers, categorized by:	(a) Total lines and wireless channels				
II - 4. Lines and channels that you provided under a UNE loop arrangement, where you do not provide switching for the line.					
II - 5. Lines and channels that you provided under a UNE loop arrangement, where you also provided switching for the line.					
II - 6. Special access lines not provided as broadband and private lines that connect an end-user premises to a telecommunications common carrier and is not provided as broadband.					
D. Total wireline voice-grade equivalent lines & fixed wireless voice-grade equivalent channels in service.		(f) cable coaxial	(g) wireless	(h) all other including traditional wireline	
II - 7. Total lines and channels provided. [line II-1+line II-2 + line II-3]	24,668			100%	

Percentage of channels reported in (a), carried over the following types of facilities categorized by the technology used in the part of the line or wireless channel at the end-user location

Lightyear Telecommunications LLC non-ILEC operations for Massachusetts December 31, 2000

Complete Part III if you and all affiliates (including commonly controlled entities) serve 10,000 or more mobile voice telephony subscribers in the state over your own facilities. See instructions for definitions of "mobile voice telephony subscribers" and "owned facilities".

Data as of December 31, 2000

A. Mobile voice telephony subscribers in service and served over your own facilities.

(a) Network telephone service: subscribers	(b) Percentage of (a) provided (i.e. billed directly) to end users
---	--

III - 1. Cellular, PCS & other mobile telephony.

Lightyear Telecommunications LLC non-ILEC operations for Massachusetts December 31, 2000

Filers completing Part I or Part II must supply a list of 5-digit Zip Codes in which the filer has at least one customer. Do not provide customer counts by Zip Code.

Data as of December 31, 2000

V - 1. 5-digit Zip Codes in the state in which you provide service to end-user locations:
