Dear Ms. Bayo:

This is a response to Order No. PSC-01-1596-PAA-TC issued on August 3rd, 2001, Docket No.010537-TC. Please, consider this letter as a protest, and/or an offer of settlement.

We started our payphone business in 1998. Our accountant, Mr. Nagy, has been taking care for all of our required payments. Mr. Nagy have not had any experience about this kind of business, furthermore, have had severe health problems (included an open heart surgery), and was in Europe for a while. None of us have known the regulation about the payments of the regulatory fees. Our good faith has shown by paying all the required fees, except the past due penalty and interest balance at the amount of \$ 17.50, what is enclosed in this letter.

After being informed by the Commission staff, now we know that we have to pay the fee every year no later than January 30. We will make sure that this misunderstanding never reoccurs. The Kiss & Kis's, Inc. is intended to keep its certificate active.

The Kiss & Kis's, Inc. agrees to waive any objection to the administrative cancellation of its certificate should fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, it is our understanding, that the Commission staff will bring the matter to the Commission for consideration.

We respectfully request the Honorable Commission to accept our proposal to pay \$100.00, as a settlement amount, instead of the imposed \$500.00 fine.

Sincerely,

Gyula E. Kis
