Dear Ms. Bayo:

By this letter, TotalAccess.com, Inc. ("TXCI") hereby requests either (1) cancellation of the above-referenced telecommunications certificate or, (2) if there is some alternative procedure, to temporarily suspend the certificate, or hold it in abeyance.

TXCI is currently not conducting business in Florida and has not for quite some time; it may resume operation there at some later date.

Thank you in advance for your anticipated courtesy and cooperation in this matter.

Very truly yours,
TotalAccess.com, Inc.
