FPSC-COMMISSION OF FPL

3. Seminole Electric is a generation and transmission cooperative organized under Chapter 425, Florida Statutes. Seminole Electric provides wholesale electricity to its member distribution cooperatives located throughout peninsular Florida. Seminole Electric's member cooperatives provide retail electric service to more than 700,000 customers in 45 counties located in peninsular Florida.

4. Seminole Electric is a wholesale transmission customer of Florida Power & Light Company ("FPL"). Seminole Electric substantially relies upon FPL's transmission facilities to supply wholesale power to its member cooperatives.

5. The prudence of the formation of and FPL's participation in GridFlorida are at issue in the above-styled docket. The issues regarding prudence of the formation of and FPL's participation in GridFlorida directly and substantially affect Seminole Electric's interests in access to transmission facilities necessary to supply power to its member cooperatives, as well as the reliability, efficiency, and cost of such transmission facilities.

6. In addition, Seminole Electric has been and continues to be an active participant in the development of GridFlorida, including proceedings before the Federal Energy Regulatory Commission ("FERC"). The proceedings in the above-styled docket will substantially affect the formation of and FPL's participation in GridFlorida. Consequently, Seminole Electric's interests in the development of GridFlorida, including Seminole Electric's involvement in the proceedings before FERC, will be substantially and materially affected by the proceedings in the above-styled docket.

WHEREFORE, Seminole Electric respectfully requests the Commission to enter an order granting this Petition and according Seminole Electric full party status in the above-styled docket.

RESPECTFULLY SUBMITTED this 4th day of September 2001.
