Dear Sir,

Enclosed please find a copy of a letter ^{01 AUG} received by us 3 days ago. Since we are ^{COI} away from Florida during the hot summer months, said letter needed to be forwarded. Since our utility is not listed (UTILITIES, INC. OF FLORIDA - 200 WEATHERS FIELD AVE., ALTAMONTE SPRINGS, FLORIDA, 32714) it would seem there is NO guaranty against raising rates. It would therefore be like buying a "pig in a poke" to meekly say nothing. My husband and I are well aware of what a precious commodity water is in Florida but on the other hand we are on a FIXED INCOME and out of state for 5 months of the year, using no water. We do therefore object to said transfer and would hope that you as Director of said Commission would look out for your Constituents' best interests. We moved to the above address from Englewood, Florida where we had excellent water at reasonable rates. Why can one community do so well in this respect while others don't? Why does our monthly billing come from Utility Company, 2335 Sanders Rd, Northbrook, ^{ILLINOIS} 60062-6196 - rather confusing to 80 year olds.

Sincerely, Lora Guy Greene, Warren R. Greene

IS WATER SOON TO BE SOLD LIKE
GASOLINE? i.e. — WHAT THE TRAFFIC
WILL BEAR. OF COURSE WE OBJECT!
