Critical Date(s): None

Commissioners Assigned: Full Commission
Prehearing Officer Administrative

Staff: CMP: Isler

LEG: Pena, B. Keating, Elliott

ISSUE 1: Should the Commission grant the companies listed on Attachment A of staff's August 23, 2001 memorandum a voluntary cancellation of their respective certificates?

RECOMMENDATION: No. The Commission should cancel each company's respective certificate on its own motion with an effective date as listed on Attachment A. The collection of the past due fees should be referred to the Office of the Comptroller for further collection efforts.

ISSUE 2: Should these dockets be closed?

RECOMMENDATION: Yes. The Order issued from this recommendation will become final upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest within 21 days of the issuance of the Proposed Agency Action Order. These dockets should then be closed upon receipt of the fine and fees or cancellation of the certificate. A protest in one docket should not prevent the action in a separate docket from becoming final.
