4. The information contained in the Second Supplemental Responses to BellSouth's Interrogatories Nos. 50, 59, 83, 92, 101, and 103 contain certain of IDS' customers' account information, including names, addresses, telephone numbers, and account information that is required to be maintained as confidential by Section 364.24, Florida Statutes.

5. On September 6, 2001, IDS filed a Notice of Intent to Request Confidential Classification for the confidential information contained in its Second Supplemental Responses to BellSouth's Interrogatories Nos. 50, 59, 83, 92, 101, and 103. In the Notice filed September 6, 2001, IDS inadvertently left out the document provided in its Second Supplemental Response to Interrogatory No. 5, which contains confidential information, and the Second Supplemental Responses to Interrogatories Nos. 8, 35, 49, and 59 which contain confidential information.
