Dear Sir or Madam:

I am General Counsel of PNG Telecommunications, Inc. d/b/a PowerNet Global Communications ("PNG") a non-dominant reseller of interexchange and intraLATA toll telecommunications services in Florida. PNG was granted authority by the Commission to provide resold intrastate telecommunications services on January 4, 1995 in Docket No. F95000000048.¹

PNG has agreed to purchase the customer base of Atlantic Telephone Company, Inc. ("ATEL"). ATEL also provides intraLATA and interLATA telecommunications services in Florida. PNG will purchase the customers on a cash basis; no assets or securities will be exchanged. PNG and ATEL hope to complete transfer of the customers to PNG's network on or before October 31, 2001.

During the week of September 10, 2001, PNG mailed a letter to the affected ATEL customers explaining the transfer and assuring them that the quality of service and low rates they have enjoyed with ATEL will continue with PNG. The affected ATEL customers were informed that they will continue to receive quality long distance services at comparable or lower rates from PNG without interruption and without needed action. The affected ATEL customers were also reminded that they are under no obligation to take service from PNG, and that they are free to select another company to transmit their long distance calls. A copy of the letter is attached.

PNG filed the required notice to the Common Carrier Bureau of the Federal Communications Commission on September 12, 2001 pursuant to revised Section 64.1120 of the Commission's Rules.

Dear Atlantic Telephone Customer,

PowerNet Global Communications, a national provider of long-distance, data and Internet services has entered into an agreement with Atlantic Telephone ("ATEL") whereby PowerNet Global will purchase the assets of ATEL. As part of this transaction, ATEL and PowerNet Global have agreed to transfer ATEL customer accounts from ATEL to PowerNet Global. PNG will continue to offer you the same excellent service offered by ATEL coupled with the low rates offered by PowerNet Global.

PowerNet Global offers customers simple, flat-rate pricing any time of the day or night. So PowerNet Global will be offering you rates comparable to if not lower than the rates you are currently getting with ATEL.

ATEL and PowerNet Global will work together to ensure that your transition to PowerNet Global will be seamless with no interruption of service. Nor will you be required to pay any switchover fees associated with the transfer. If you have any questions or concerns about your service with ATEL, the change to PowerNet Global or about the rates, terms and conditions of services offered by PowerNet Global, we encourage you to call PowerNet Global's customer service at 1-888-637-7703. Our customer service representatives will be happy to discuss the transition with you and to answer any questions you may have.

Beginning now, you will receive your monthly bill from ATEL and PowerNet Global Communications (PNG). Your billing cycle ends on the 16th of each month. If you have an outstanding balance with Atlantic Telephone you will receive a separate statement for this amount.

INSERT SERVICES FOR INDIVIDUAL ACCOUNTS HERE

If you had a calling card with ATEL, your new card is enclosed. If you wish, you may continue to use your old PIN but you must use the Toll Free number printed on the back of the enclosed card to use this calling card service.

If you do not have a Calling Card or a Toll-Free number but are interested in these convenient, money-saving services please give us a call and we'll be glad to tell you about these services and have them added to your account.

We are confident you will be pleased with the superior service you receive from PowerNet Global. We also recognize, however, that you are free to select another carrier at any time. If you do not choose another carrier before October 16, 2001, PowerNet Global will become your carrier, even if you have arranged for preferred carrier freeze with your local service provider. We want you to know that we value our relationship with you and pledge to provide you with value-added communications solutions and unrivaled customer support.

Sincerely,

Bernie Stevens
CEO
