Dear Ms. Boyo:

Pac-West Telecomm, Inc. (Docket No. 000735-TI) hereby requests the cancellation of our Certificate to provide Interexchange Services in the state of Florida. In the current competitive environment we have had to re-evaluate our business plan, and have determined that providing this service in the state of Florida is not consistent with our long-term goals. We have no outstanding customer deposits, and each of our customers will be given a 30-day notice advising them of the need to find a new long distance carrier. A copy of our customer notification is enclosed. We hereby request that the Commission cancel our CPCN effective November 1, 2001.

If you have any questions regarding this action or require additional information, please contact the undersigned at 209-926-3162.

Sincerely,

Chris Crowe

Dear Pac-West Customer:

This letter is to inform you that effective November 1, 2001, Pac-West Telecomm will no longer offer long distance services in your state. Prior to this date, you will need to select a new long distance provider in order to avoid an interruption in your long distance service. To assist you with this process, we have included the name and contact numbers for the primary long distance service providers in your area. Other long distance carriers can be found in your local telephone directory.

Carrier	Telephone Number	Website
AT&T	1-877-490-1971	www.att.com
MCI/WorldCOM	1-800-444-3333	www.worldcom.com
Sprint	1-800-877-4646	www.sprint.com

If you currently subscribe to toll-free (800/888/877) long distance service through Pac-West, you will also need to transfer your toll-free number to a new provider. Any of the carriers listed above will be able to assist you with this process.

We apologize for any inconvenience this change may cause. Should you have any questions regarding this notification or need assistance switching your service to a new provider, please contact our customer service department at 1-800-399-3389.

Sincerely,

Chris Crowe
