Re: Request to Keep The Mobile Phone Company, Inc.,
(ALEC Certificate No. 5742) Active - Docket No. 011146-TX

Dear Ms. Bayo:

The Mobile Phone Company, Inc. ("MPC") hereby notifies the Florida Public Service Commission of its request to keep The Mobile Phone Company's ALEC Certificate No. 5742 active. MPC is proposing a settlement amount of \$500.00 to resolve Docket No. 011146-TX. In addition, MPC has filed the Regulatory Assessment Fee Return ("RAF") and paid all past due regulatory assessment fees, plus penalty and interest charges for the calendar period ending December 31, 2000.

Upon review of the applicable laws and regulations of the State of Florida, The Mobile Phone Company has implemented operational and procedural controls to ensure future Regulatory Assessment Fee Returns are filed in a complete, accurate and timely manner. The new procedures and systems implemented should ensure timely filings of future RAF returns and prevent future late payments of regulatory assessment fees.

Furthermore, MPC agrees to a waiver of objection to the administrative cancellation of the company's certificate in the event its offer is accepted and it fails to comply with the terms which it has offered. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration.
