Dear Ms. Isler:

This is in response to Order No. PSC-01-1995-PAA-TI, issued to October 8, 2001 in Docket No. 010899-TI. Please consider this an offer of settlement.

The reason we did not pay this in timely manner is because we did not receive the form. After talking with the communication staff, I now understand that the form is mailed every mid-December and the fee is due by the following January 30<sup>th</sup>. I will make sure that this problem does not occur again as Telec, Inc. does want to keep its certificate active. My check in the of \$82.00 for the 2000 fee, and the additional past due interest penalties is enclosed.

Telec, Inc., agrees to waive any objections to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, we understand that Commission staff will bring the matter to the Commission for consideration.

Based on this, I respectfully request that the Commission accept my proposal to pay a \$100.00 settlement instead of the \$500.00 fine imposed.

Please contact me if you have any questions.

Sincerely,

Nicholas Pyrros  
Vice President
