Subject: Docket #011401-WU

I have been assigned the above docket as lead OPR. I believe the title does not exactly state what will be achieved the docket. I suggest that the wording be modified as follows:

Delete "of Sebring Lakes Subdivision"  
Add after Certificate No. 424 "and cancel Certificate No. 420-W"

Let me know if you need anything additional on this.

Thanks!
