Dear Ms. Isler:

Enclosed is a check in the amount of \$1.06 to cover past due penalty charges.

Please accept this letter as our assurance to you and the Commission that Rebound Enterprises Inc. definitely wishes to keep its Certificate active and in compliance with Commission rules. We apologize for the oversight in filing our return in a timely manner. Changes in the staff position responsible for compliance along with reduced access to files because of construction with in that office contributed to the problem. We have taken steps to prevent future late payments of the regulatory assessment fees. The profound effect of possibly losing the Certificate has embedded the importance of filing the reports on time.

The Company agrees to waive any objection to the administrative cancellation of its certificate should Rebound Enterprises Inc. fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration.

Rebound Enterprises, Inc. Respectfully proposes to pay \$100 as monetary settlement for the violation, which will be paid within 10 business days after the Commission order, is issued.
