Subject: RE: DN 01109-01 in 010001-EI

Thanks, Todd.

We will use this e-mail as directive to return the document to GPC.

Kay

This document was filed as confidential by GPC in January under an NOI. GPC never followed up with a request for confidentiality. Was this an oversight on GPC's part? At this point, we should remove this document from the confidential files and forward it to staff (since it is discovery). However, I need confirmation from you that it is proper to do this.

Please advise asap.

Kay
