Docket No. 001148-EI
Dated: November 13, 2001

**FLORIDA POWER & LIGHT COMPANY'S RESPONSE
TO PUBLIX SUPER MARKET INC'S PETITION
TO INTERVENE IN PHASE 2 OF DOCKET**

Florida Power & Light Company (FPL) hereby responds as follows to Publix Super Market Inc's (Publix's) Petition to Intervene in Phase 2 of Docket:

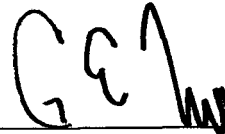

Publix has petitioned to intervene as a retail customer of FPL. FPL does not generally object to Publix's intervention. However, FPL notes that an intervener such as Publix takes the case as it finds it. FPL does not agree with the list of disputed issues of material fact in Publix's petition. Statements of disputed issues in an intervention petition are by no means dispositive of what the issues in a proceeding should be. The issues should be developed through the Commission's usual issue identification process, which will lead to a prehearing order setting forth the issues for the final hearing.

Respectfully submitted,
