RE: Docket No. 010302-TP - Petition by ALLTEL Communications, Inc. for arbitration of certain open issues in existing interconnection agreement with BellSouth Telecommunications, Inc.

ISSUE 1: Should BellSouth's Products and Services Interval Guide be incorporated into the interconnection agreement?

RECOMMENDATION: No. BellSouth's Products and Services Interval Guide should not be incorporated into the interconnection agreement. However, whenever BellSouth lengthens a products and services interval it should notify ALLTEL 30 days prior to the effective date of the change so that ALLTEL can change its internal processes. In addition, the new intervals should only apply to orders placed with BellSouth on or after the effective date of the revised intervals.
