Re: Fuel and Purchased Power Cost Recovery Clause with Generating Performance
Incentive Factor; FPSC Docket No. 010001-EI

Dear Cochran:

I do not think it should be required that a Post-Hearing Statement be filed in the above
referenced docket, particularly because there was a bench decision.

However, in an abundance of caution, please treat this letter as an adoption by Tampa
Electric Company of its positions on the Issues in this proceeding and as serving as a Post-
Hearing Statement.

Sincerely,

James D. Beasley
