Docket No. 990649A-TP

Filed: December 7, 2001

**WORLDCOM'S AND AT&T'S
JOINT MOTION FOR EXTENSION OF TIME**

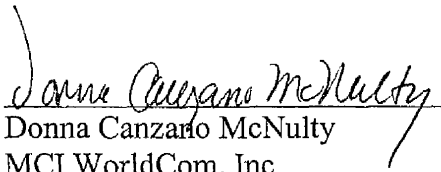

MCI WorldCom, Inc. ("WorldCom") and AT&T Communications of the Southern States, Inc. ("AT&T"), hereby move for a one week extension of time, to December 14, 2001, to file their rebuttal testimony in this docket. As grounds therefor, WorldCom and AT&T state:

1. The WorldCom/AT&T rebuttal testimony is based in large part on making adjustments the inputs to BellSouth's loop cost model (BSTLM) and recommending revised UNE costs based on those changes.
2. During the past two weeks, the WorldCom/AT&T consultants have experienced several model crashes while attempting to rerun BSTLM with changed inputs. As a result, they have been unable to complete their analysis and review of the revised results.
3. The requested extension of time will enable the WorldCom/AT&T testimony to properly incorporate the revised model results and provide the best possible information to the Commission.
4. Counsel for AT&T and WorldCom have consulted with counsel for BellSouth, who does not object to this extension so long as the date for BellSouth to file

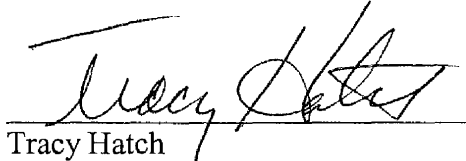

surrebuttal to the WorldCom/AT&T testimony (if BellSouth's pending motion for leave to file surrebuttal is granted) is similarly extended by one week.

WHEREFORE, WorldCom and AT&T respectfully request that the Commission grant a one week extension of time, to December 14, 2001, to file their rebuttal testimony.

RESPECTFULLY SUBMITTED 7th day of December, 2001.
