RE: Docket No. 010001-EI - Fuel and Purchased Power Cost Recovery Clause and Generating Performance Incentive Factor.

Confidential Document No. 14090-01

On November 6, 2001, Tampa Electric Company (TECO) filed a motion for protective order which sought confidential treatment for pages 2 through 80 of Late-Filed Deposition Exhibit No. 1 of TECO witness W. Lynn Brown, a document requested by staff in the above-referenced docket. Along with its motion, TECO filed the requested document on a confidential basis (Document No. 14090-01). This document was not used at hearing by staff and is no longer needed by staff. Thus, the document should be returned to TECO. TECO has indicated that it will withdraw its motion when the document is returned.
