Hi, Kay. Would you please send this filing up to me UNDOCKETED so that I can determine whether or not it falls under our jurisdiction. I have asked around up here, and so far I am getting mixed responses. So, we'd like to review it and we will docket it ourselves if need be or will contact the companies involved to have them withdraw the filing if need be. THANKS!

I also need to know whether 'tis nobler in the mind to suffer the slings and arrows of outrageous filings or to take arms against a sea of interconnection agreements and by opposing end them.

Kat please call me about this one. Neither of the companies is a LEC. This is a CMRS interconnection agreement. Kay needs to know what to do - to docket or not to docket? - that is her question.
