Dear Ms. De Mello:

Reference: Docket #010503 WU, Aloha Utilities Rate Case. & Docket # 010372 Request by Aloha Utilities for new rate class.

I am a customer of Aloha Utilities in the Seven Springs area. Having read Aloha's request in both Dockets, I believe that I am adversely effected by both referenced Dockets. I wish to become a party to these two Dockets. I believe that as a customer, who will be forced to pay higher rates, I have a right to tell the customer's side of the story. I also believe that any hearings held on these dockets should be in the New Port Richey Area. By holding the hearings in New Port Richey the commission can hear the customer thoughts and feelings about Aloha Utilities. Granting any increase to Aloha without hearing the customer would be the equivalent of a "gag order"

Sincerely,

  
Edward O. Wood
