XIX. IMPLEMENTATION OF AGREEMENT

The Parties agree that within 30 days of the execution of this Agreement they will adopt a schedule for the implementation of this Agreement. The schedule shall state with specificity, ordering, testing, and full operational time frames. The implementation shall be attached to this Agreement as an addendum and specifically incorporated herein by this reference.

XX. MOST FAVORED NATION PROVISIONS

Neither party waives any right it has under Section 252(i) of the Act.

XXI. AMENDMENT OF CERTAIN RATES, TERMS AND CONDITIONS

The rates, terms and conditions in this Agreement that are specified in Attachment I (the "MCI Terms") were taken from the GTE/MCI Interconnection, Resale and Unbundling Agreement (the MCI Agreement) approved by the Commission in Docket No. 960980-TP. The rates, terms and conditions not included in this Agreement but referenced in Attachment J (the "GTE Terms") were excluded from the MCI Agreement by the Commission in Docket No. 960980-TP. GTE and ACSI agree that if the "MCI Terms" are deemed to be unlawful, or are stayed, enjoined or otherwise modified, in whole or in part, by a court or commission of competent jurisdiction, then this Agreement shall be deemed to have been amended accordingly, by modification of the "MCI Terms" or, as appropriate, the substitution of "GTE Terms" for all stayed or enjoined "MCI Terms", and such amendment shall be effective retroactive to the Effective Date of this Agreement.

GTE and ACSI further agree that the terms and conditions of this Agreement reflect certain requirements of the FCC's First Report and Order in CC Docket No. 96-98. The terms and conditions of this Agreement shall be subject to any and all actions by any court or other governmental authority that invalidate, stay, vacate or otherwise modify the FCC's First Report and Order, in whole or in part. To the extent required by any such subsequent action, the parties agree to modify, in writing, the affected terms and conditions of this Agreement to bring them into compliance with the subsequent action. ACSI acknowledges that GTE may seek to enforce such subsequent action before a commission or court of competent jurisdiction. GTE does not waive any position regarding the illegality or inappropriateness of the FCC's First Report and Order.

The rates, terms and conditions (including rates which may be applicable under true-up) specified in both the "GTE Terms" and the "MCI Terms" are further subject to amendment, retroactive to the Effective Date of the Agreement, to provide for charges or rate adjustments resulting from future Commission or other proceedings, including but not limited to any generic proceeding to determine GTE's unrecovered costs (e.g., historic costs,

contribution, undepreciated reserve deficiency, or similar unrecovered GTE costs (including GTE's end user surcharge)), the establishment of a competitively neutral universal service system, or any appeal or other litigation.

If the Commission (or any other commission or federal or state court) in reviewing this Agreement pursuant to applicable state and federal laws, including Section 252(e) of the Telecommunications Act of 1996, 47 U.S.C. § 252(e), deletes or modifies in any way this Article, ACSI agrees that this entire Agreement is void and will not become effective, and ACSI agrees to withdraw this Agreement from consideration by the Commission (or any other commission or federal or state court).

XXII. NOTICES

Any notice to a Party required or permitted under this Agreement shall be in writing and shall be deemed to have been received on the date of service if served personally, on the date receipt is acknowledged in writing by the recipient if delivered by regular U.S. mail, or on the date stated on the receipt if delivered by certified or registered mail or by a courier service that obtains a written receipt. RE : Reporting Requirement per Section 5.02, A.P.M.

On December 19, 1997, Nancy Sims of BellSouth asked if I would be willing to consider an offer of employment with BellSouth if one were made. (I have been on vacation until today, which is why this memo is dated more than five working days from the encounter.) While not making an explicit offer, Ms. Sims described in broad terms a position with BellSouth regulatory. No further contact has occurred to date.

RE: Request for Permission to Reproduce Confidential Document in Docket 960847-TP

Permission is requested, pursuant to 11.04 4.d. of the APM, to reproduce, from diskette, the transcript of the September 30, 1996 deposition of Dennis Trimble and Bert Steele. This transcript was produced by the Bureau of Reporting and filed with the Bureau of Records on October 4, 1996, as confidential Document No. 10609-96. The transcript, related notes, and diskette containing the WordPerfect version of the transcript were placed in my Division's confidential files pending receipt of a request for confidentiality from GTE Florida Incorporated. On November 15, 1996, the document was signed out by Ann Shelfer in the Division of Communications. In mid-March of this year, my staff contacted Ms. Shelfer to ask that the document be returned so that staff in the Division of Appeals could review it, since the docket had been appealed to the United States District Court. My staff learned that Ms. Shelfer was no longer assigned to the docket. My staff then contacted Stan Greer in that Division. Mr. Greer attempted to locate the document but was unsuccessful. I have attached his explanation concerning probable disposition of the document.

Based on staff's inability to locate the original document and on the fact that the transcript must be reviewed by staff in the Division of Appeals, I request permission to produce a hard copy of the transcript from diskette.

I represent Time Warner and need to update the e-mail address for the person listed as the Time Warner contact on the PSC website.

If you go to the list of ALECs, and select Time Warner Connect, the e-mail address for Carolyn Marek is marek.carol@aol.com. This address is obsolete and should be updated to carolyn.marek@twtelecom.com.

Could you also include the new address under the Time Warner Telecom listing?

Also, could you search the website and update her address each time it appears?

Please let me know if you have any questions or whether I need to contact someone else to update the address.

Thanks!

Dear Ms. Grant:

Subject: Update Company Codes TL710 and TF859 Contact Information

Pursuant to your telephone conversation with Linda Rossy of my staff, please find attached the Change of Information on Regulated Utility form for Verizon's company codes TL710 (certificate number 31) and TF859 (certificate number 4962). The purpose of this filing is to change the contact name from Beverly Menard to Michelle Robinson for both company codes and add David Christian as a contact name for company code TF859.

Verizon currently receives the Agenda, Report of New Dockets, Weekly Summary of Orders, and Notices of Hearings, Workshops and Rulemaking addressed to Ms. Menard. Please change the addressee to Ms. Robinson on these as well.

Additionally, the list of current dockets for Verizon shown on the Commission's website (960847-TP, 960980-TP, 960986-TP, 990321-TP, 991376-TL, 000604-TL, 001332-TL, 001715-TP, 001718-TP, 001745-TP, 001767-TP, 001769-TP, 010046-TP, 010047-TP, 010073-TP, 010074-TP, 010089-TP, and 010102-TP) should be changed to reflect as the party of record:
