**RE:** Docket No. 941102 - Petition for Approval of Proposed Pilot/Experimental Real Time Pricing Program and the Associated Rate Schedule by Gulf Power Company

Staff would request that Docket No. 941102 - Petition for Approval of Proposed Pilot/Experimental Real Time Pricing Program and the Associated Rate Schedule by Gulf Power Company be closed. This docket was reopened in December 1998 to process confidentiality requests filed by Gulf Power Company for portions of a quarterly report that was filed to monitor the RTP experimental rate.

The experimental rate was terminated in July of 1999, and no quarterly reports were filed subsequent to that time. The docket can thus be closed.
