RE: West Florida Electric Cooperative Association, Inc., Petitioner/  
Appellant vs. E. Leon Jacobs, Jr., et. al.;  
Case Number: SC02-176

Dear Mr. Hall:

For purposes of determining a timeframe, and assuming the filing date of the Notice of Appeal is the date it was filed in the lower tribunal (January 18, 2002 and not the Supreme Court) your Acknowledgement of New Case shows a filing date of January 23, 2002, then the index to the record on appeal is due on or before March 9, 2002, or 50 days after January 18th. The appellant's initial brief is due 20 days later, which would be March 29, 2002.

Please let me know if this reflects your understanding of the due dates of the index to the record on appeal and the appellant's initial brief.

Very truly yours,

  
John H. Haswell
