Hello Ladies! Regarding the above docket, please change the effective date in the docket title to 12/31/01. The customer requested the 1/29/02 date but Legal said if a request was made in January, we could make the request effective 12/31; that's why I put 12/31 as the effective date. Thanks so much!

Cancellation effective date 12/31/01 or 1/29/02. If 12/31 is correct, then contact CCA and ask them to change the docket title. If 1/29/02 is correct, then the Consent Recommendation will need to be changed.
