REF. Master Commission Directory of Regulated Utilities

Dear Ms. Bayo:

Reference your correspondence of Feb. 26, 2002. This serves to notify you that as of February 28, 2002 our public payphones vending operations were discontinued in its entirety. Since our operations lasted for only a part of the year I wondered if there would be a partial rebate for the abbreviated year. It would be gratefully welcome at this particular time.

Thank you for your consideration and assistance.
