AT&T Communications of the Southern States, LLC has requested approval of name change on IXC Certificate No. 69 by adding the fictitious name, CONQUEST.

Since the change does not involve a change in control or transfer of assets, staff recommends that the name change be acknowledged and that the certificate be reissued.

As required in Section 2.07. C. 2 of the Administrative Procedures, this is to inform you that I concur with the name change on the Certificate of Public Convenience and Necessity No. 69.
